# Kite Flying & Pot Luck Get together

September 19, 2009

3:00 PM

Pot-luck dinner at about 5:30 and fire after dark

**Bring:** Kite to fly, lawn chair or blanket, food to share for potluck, clothes for cold or rain, musical instrument, a game. We will provide non-alcoholic beverages and a big heap of pesto-pasta.

## **Directions to the Cristofaro-Harks:**

**4133 Millersburg Blvd., Lonsdale, MN 55046** (Map Quest works)

### **Notes:**

- 1) Please avoid bringing any plastic stuff. We are trying not to use non-recyclable plastic throw away stuff such as plastic plates, utensils, water/pop containers, plastic food containers etc. Bringing your own reusable plate and silverware is just fine – we will have some available.
- 2) We have a number of people asking what they should bring each year for food. Main dishes are always the best - but this is a true pot-luck.
- 3) An ASL interpreter will be available.
- 3) No dogs or other pets.
- 4) It helps us if we know you are coming - [pigkiss@means.net](mailto:pigkiss@means.net) or 507-Pigkiss
